ENTRY DEADLINE: JANUARY 11, 2023

The CHB/APBA Show Committee is very pleased to have this show opportunity! We welcome all exhibitors – both new and seasoned – as well as family members and general spectators.

A Note on Avian Flu: This event was originally scheduled for November, 2022 and was postponed to January, 2023 in response to the heightened risk of Avian Influenza during the fall migration. As of mid-December the AI status in Alberta has greatly improved. We do ask that exhibitors remain extra vigilant for any signs of illness in their birds. Do not bring any bird into the building that does not appear completely healthy. Birds from active Avian Influenza Control Zones will be not be permitted. Show committee personnel will be continuously inspecting birds throughout the weekend, and any bird showing signs of being unwell will be promptly removed from the show hall.

Covid-19 Protocols: No special protocols are required. Please do not attend if you are experiencing symptoms of illness.

Both shows included in this Double Show event are sanctioned by the APA and have been designated:

American Poultry Association 2022 District Meet and
